**Infoservice**

SICK Partner Portal is available for our customers in

- » Germany
- » Austria
- » and Switzerland.

**SICK Partner Portal Flyer**

- » download (German)

## SICK Partner Portal My SICK with a Click!

**Partner Portal**  
[www.mysick.com](http://www.mysick.com)

### More clarity for you. Our new 24-hour online service

SICK has a comprehensive range of sensors with components and systems for all areas of factory automation. On our internet site [www.sick.com](http://www.sick.com) you can find information on all our products and services as well as application tips and lots of other useful information.

With immediate effect we are expanding our range of services on the Internet so that, among other aspects, you can now also order SICK products online.

At [www.mysick.com](http://www.mysick.com) you will have a complete overview of all your transactions – irrespective of whether in the future you continue to work with us as before, or using our new SICK Partner Portal.

**Detailed information available at**  
[www.mysick.com](http://www.mysick.com)

#### Your personal access

Username:   
Password:

- Register now at [www.mysick.com](http://www.mysick.com).
- You will receive your personal access data within two working days.

[www.mysick.com](http://www.mysick.com)

## Safe.

### You define your company-specific user rights.

If orders are approved in your organisation by another person or department, our automatic workflow will assist you in your work.

Detailed information available at [www.mysick.com](http://www.mysick.com)

## Purposeful.

### Your application will lead you straight to the SICK product.

Search straightforwardly using the technical parameters or the specially described applications – if you know the part number or part of the product code – choose the method you prefer.

Detailed information available at [www.mysick.com](http://www.mysick.com)

## Fast.

From the product you will then go directly to the price, the availability check, a personal quotation or to the order.

Detailed information available at [www.mysick.com](http://www.mysick.com)

## Clear.

In the Portal you will see your quotations, your purchasing history and the status of your current transactions – independent of the way we received your requests or orders.

Detailed information available at [www.mysick.com](http://www.mysick.com)
